A.K.G MEMORIAL CO-OPERATIVE COLLEGE OF NURSING

MAVILAYI, KANNUR

Introduction and History

“**A.K.G Memorial Co-operative College of Nursing**”, a unit of Kannur Co-operative Hospital Society Ltd.No.C-834 ,was envisioned and established in August 2008 as a memorial of Com. A.K.Gopalan (AKG).

Sri. A.K Gopalan was a renowned politician, a fabulous orator and a great Parliamentarian in the Indian history and a person who toiled throughout his life for the upliftment of poor and downtrodden.

AKGMCCON is functioning at Mavilayi- the native place of Sri. AKG, more over a salubrious hilly area 10km west of Kannur town, away from the buzz and pollution of Kannur City.

Adequate infrastructure facilities as per the norms of statutory bodies viz, INC, KNMC & KUHS and the use of modern educational technologies in the teaching - learning process is the salient feature of our institution.

Our vision is to mould a new generation with the skill, knowledge and attitude to provide comprehensive nursing care to the sick and the disabled and to bring about new innovations in the field of Nursing through quality education, practice and research.

A.K.G Memorial Co-operative College of Nursing offers Basic B.Sc. Nursing degree programme since 2008 and is affiliated to the Kerala University of Health Sciences, Thrissur. 50%of the total seats will be filled up by the Govt. in accordance with the merit and reservation principles, 35%of the total seats(Management quota) will be filled up from the list of the candidates who are eligible as per the prospectus and application forms received against the notification by the Management directly in accordance with the merit in qualifying examination and the management shall also be entitled to fill up the remaining 15% seats from the list of eligible candidates who are the children /dependents of Non residential Indians. (NRI)

This prospectus sets out the rules and regulations for selection and admission to the management quota seats for the year 2020-2021 and is subject to modification/addition/deletion as may be deemed necessary by the management and subject to the Govt. orders.

Aim

The aim of the undergraduate nursing programme is to:

- ▶ Prepare graduates to assume responsibilities as competent professional nurses and midwives in providing promotive, preventive, curative, and rehabilitative services.
- ▶ Prepare nurses who can make independent decisions in nursing situations, protect the rights and conduct research studies in the areas of nursing practice. They are also expected to assume various roles as Nurse educator, supervisor, manager etc in a clinical/public health setting/school of Nursing.

Objectives

On completion of the four year B.Sc. Nursing programme the graduates will be able to:

1. Apply knowledge from physical, biological, and behavioral sciences, medicine including alternative systems and nursing in providing holistic/comprehensive nursing care to individuals, families and communities.
2. Demonstrate understanding of life style and other factors, which affect health of individuals and group.
3. Provide nursing care based on steps of nursing process in collaboration with the health team members.
4. Demonstrate critical thinking skill in making decisions in all situations in order to provide quality care.
5. Utilize the latest trends and technology in providing health care.
6. Provide promotive, preventive and restorative health services in line with the National health policies and programmes.
7. Practice within the framework of code of ethics and professional conduct, and acceptable standards of practice within the legal boundaries.
8. Communicate effectively with individuals, groups and members of the health team in order to promote effective interpersonal relationship and teamwork.
9. Demonstrate skills in teaching to individuals and groups in clinical/Community Health settings.
10. Participate effectively as members of the health team in health care delivery system.
11. Demonstrate leadership and managerial skills in clinical/community health settings.
12. Conduct/participate need based research studies to improve the quality of nursing care.
